

**Participate** - join the campaign  
and express yourself, your rights,  
your life, your future.

be  
creative

Take action now, create your own message, be as creative as you like.

Do you think the situation is right? That the government should cut vital funding for legal aid? What do you think people should do about it?

Make your voice heard!

We should never stop fighting for our rights.

**RIGHTS**
